

Support Groups and Other Group Activities for Carers

Support Groups

We run a number of monthly support groups across the county. These are a great opportunity to meet other people in a similar situation, to share experiences and receive support from our Carer Support Workers. Groups are informal and everyone is welcome – as one carer told us

"the friendship, the atmosphere & the interaction between us all is great. The realisation other people have the same difficulties is important. It helps to share problems."
